Dear friends,

On behalf of the City of Brampton and all our residents, I am pleased to welcome you to this year's Carabram Multicultural Festival in our city.

This festival is a great opportunity for young and old to navigate our city and discover the cultural diversity which makes Brampton a place we are proud to call home. From food to music and dance to other creative arts, there is so much to explore and learn.

As Canada's ninth largest and second fastest growing city, we welcome people from all over the world choosing to call Brampton home. Our diversity is our strength as it helps us strengthen our connections with the rest of the world and share new and different ideas that can make our community better.

As Carabram continues to grow every year, I wish the organizers success and thank all the volunteers for their countless hours of work that help us show-off our beautiful city.

Enjoy the festival.

Sincerely,

A handwritten signature in blue ink that reads 'Linda Jeffrey'.
